Additional community performances (retirement communities, etc.) may be scheduled on school days and each group will usually sing/ring in school chapel following a Sunday performance.

Performance attendance expectations: Out of respect for the other members of the group, the director, and those who will be the audience for each performance, choir and handbell members are expected to make performance attendance a priority. Please plan other activities around scheduled performance dates in order to avoid conflicts. **To be excused from a performance, students must bring a note signed by a parent that states the reason for the absence. In Exalt, Acclaim and Resound, this responsibility is part of the student's grade. In addition, members of Resound are required to find a substitute ringer if they will be absent from a performance.** A list of substitute ringers will be provided.

Students who participate in a performance will have free dress the next school day.
